EDUCATION

•**Kurukshetra University Kurukshetra** *2021*
Bachelor Of Technology in Computer Science and Engineering CGPA: 8.2

EXPERIENCE

−**Full Stack Developer, Al Muqeet Systems** *July 2023 - Present*
* Spearheaded the development and maintenance of backend systems integral to the global delivery of SMS OTP services through the flagship products, aSMSC and SMSALA.
* Leveraged the .NET framework to architect and implement robust backend functionalities, ensuring seamless handling and delivery of SMS requests on a global scale.
* Orchestrated the design and optimization of SQL databases, meticulously crafting structures to securely and efficiently manage user data while adhering to industry best practices.
* Innovated frontend solutions utilizing JavaScript, Bootstrap, and HTML, culminating in the creation of intuitive user interfaces for streamlined management of SMS services.
* Implemented AJAX techniques to facilitate seamless communication between frontend and backend systems, resulting in an elevated user experience and heightened operational efficiency.

***Software Trainer and Project Coordinator , Interface Technolgies pvt Ltd. (ILS)** *April 2023 - July 2023*
· Spearheaded software training initiatives, equipping individuals with mastery in front-end technologies like HTML, CSS, Bootstrap, and AJAX, fostering a skilled workforce.
· Directed project coordination efforts, ensuring fluid communication and synergy among team members, pivotal in achieving project milestones and deliverables.
· Provided adept mentorship on diverse programming languages including Java, C, and JavaScript, empowering professionals to craft sophisticated software solutions.

PERSONAL PROJECTS

· **YOUTUBE-Clone** *sept 2023*
(This is a YOUTUBE Sheet clone FrontEnd application.)

Technology Stack: Developed using HTML, CSS, JavaScript, and Bootstrap for responsive design
Features: Implemented essential YouTube functionalities like video playback, comments section, likes/dislikes, and video recommendations.
User Interface: Designed an intuitive and user-friendly interface resembling YouTube's layout, focusing on ease of navigation and visual appeal.

TECHNICAL SKILLS AND INTERESTS

Languages: java,HTML, C, C++ , JS
Developer Tools: Visual Studio, VS Code IntelliJ IDEA, github.
Frameworks:Ajax, JQuery, Dragula , .NET Core, SpringBoot, Spring ,Bootstrap5, React.js, Redux
Tech Skills:HTML5, CSS3, coreJava, OOOPs, DSA, DBMS, SQL, JPA Hibernate,OS, Postman, REST API's , JDBC.
Soft Skills:Communication, Time Management, Problem-Solving, Adaptability, Punctuality, Effective Listner.
Areas of Interest:Cricket, Runnig, BodyBuilding and Reading

ACHIEVEMENTS

· DSA : solved 350+ DSA problems on leetcode
  https://leetcode.com/Rameez_Raja/
· **Certication of java DSA and Backend Completion.**
